Information Security Smart Course

To ensure accurate course completion please ensure:

- You complete this course using your **Staff ID**.
- Open and work on only **one copy** of the course. Do not have the course open in multiple tabs/\ affect accurate data reporting.
- Close the course if you need to pause or return to the course at a later date/time. **Do not** keep the course open when you are not actively working on it.

Upon completion of the course material please allow 24 hours for Moodle to register your completion and display the completed message.

Please note the **only audio** used in the course is during video scenarios.

Note: This course will open in a new window.

❗ **Our records indicate you have successfully completed this course.**
